

## CE Certified Medical Face Visor

PPE visor for critical care workers requiring vital protection to combat Covid-19.

- CE marked to Regulation & Technical Specification : PPE for Healthcare Professionals 2020/403 for Eye Protection.
- Lightweight in construction sits comfortably against the forehead.
- Designed to sit away from the face at an angle to allow the use of glasses or protective goggles and face masks.
- Anti-fogging.
- Adjustable elastic head band.
- The hygienic design means that the visor can be washed or wiped down easily for re-use if required.
- Made from 100% recyclable material the visor offers a highly cost-effective solution for medical professionals or personal use.
- Approved by the MHRA (Medicines & Healthcare Products Regulatory Agency) on device compliance.
- Produced at a BRC AA grade accredited manufacturing site.

Each carton contains 25 visors with loose elastic straps & easy assembly instructions.
